NO. 270

H. JAMES PRESENTS ORDINANCE

CARE FOR UNSANITARY CONDITIONS EXISTING IN COMMUNITY

BUDGET FOR 1940 ADOPTED

Which Mayor James Used as One His Father-In-Law Had Used Thirty-Five Years Ago

Monday evening's session of the Greencastle city council was marked by the presence of John H. James, former mayor and senior member of the Greencastle Bar Association, and mayor of Greencastle and, incidentally, father-in-law of W. D. James, present mayor. Although two gentlemen have the same name, they are not related in any manner excepting as "in-laws." It was some 35 years ago that the former mayor sat in the chair that now occupied, on council meeting nights, by his son-in-law. He was an interested spectator of the proceedings in which is "in-law" relative to the city's legislative body, but his principal purpose was to lay before the members of the council an ordinance he had prepared intended to care for unsanitary conditions in the community. The ordinance provides for the presence on some properties of outside toilets which are permitted to become offensive. Mr. James read the proposed ordinance to the council members.

It makes it the duty of the city secretary of health to suppress nuisances, provides a penalty if the existing property owner refuses to order in such matters, and proposes a fine of from \$50 to \$200 for each offense. The document was signed by Mr. James and discussed by the members of the council and was continued for further consideration.

Mayor James called attention to the gravel with which he opened the ordinance of the council. It was that gravel which his father-in-law, more than 35 years ago, and it had been presented to the present Mayor James by the former Mayor James. It was by the late Frank Day and presented to the former mayor by the latter.

The budget proposed for the city for 1940 was adopted by the council. It will be scanned by Putnam county finance boards and may be amended by them but not increased. Before the final vote was taken on adoption, the mayor asked the question in such cases: "Is there any objection to the approval of this budget by the public?" The public present consisted of former

Atmosphere In Court Lightened

ACTIVE AUSTRIAN TAKEN INTO COURT OF JUSTICE OF THE PEACE NEWGENT

Thony Den, native Austrian but a long-time resident of Indianapolis, attended the usual somber atmosphere in the court of Justice of the Peace Robert Newgent, Tuesday, when he was haled into that place of justice by State Police Officer Walter Stofield.

Den was picked up on the National Highway Monday evening, because he was driving a car in a very erratic manner on that highway. "He weaved back and forth," said the police officer, "in informing the court of the circumstances."

But, the officer went on to say, a man who took charge of Den's car for the police officers had but little better success. It weaved with the car. The difficulty was not due to alcohol but to a free-wheeling device which was too free in its wheeling. The car couldn't be kept in the traffic lane by anybody.

However, it was a hazard to traffic, and Den was arrested. Den furnished a lot of entertainment in court and outside of it, because of his wide gestures and his manner of talking. When he was faced by Detective Sergeant Roy Newgent, it was said, Den seized Newgent's hand, and fell on his knees, offering a prayer for leniency. Later, at the barracks, Den's speech was rendered incoherent by his teeth, he said. "My teeth they are dry, they stick together and I can't talk," he finally said.

In court, Tuesday, Den told of his loss of \$30,000 by a bank failure in 1900, and he frankly said he had made the money bootlegging. Talking of his trouble in driving, he said: "My eyes weak, I can't see"

OFF TO FRONT—A Polish motorcycle squadron, a "flying unit" of the regular Polish Army of 2,500,000 men, moves into Upper Silesia to resist a German assault on that rich industrial area. German strategy is to drive a wedge into the region, cutting off help through Rumania.

PIPE LINE IN COUNTY NOW IN USE

WAR IS CAUSING EXTRA EFFORT TO GET PUMPING STATIONS COMPLETED

PRESSURE RELATIVELY LOW

Completed After Close of Tax Assessing Period So Will Pay No Taxes Until Next Year

The pipe line of the Socony-Vacuum Oil company, recently completed across Putnam county from the southwest toward the northeast, is now carrying crude oil, but at a comparatively low pressure of 100 to 255 pounds to the square inch, but that pressure will be boosted to 500-600 pounds, when the pumping station near Coatesville and that near Staunton, in Clay County, are completed. The line runs from East St. Louis to Lima, Ohio, where it hooks up with the Buckeye System for pumping oil to Chicago, Cleveland, and Newark, N. J.

The war in Europe is causing an extra effort to get the pumping stations completed, so that an increased volume of oil can be transported through the pipe line.

This line, having been completed after the close of the tax assessing period this spring, is not taxed in Putnam county this year, but next year, its taxes will be of assistance in several townships.

There are five other pipe lines which cross Putnam county, east and west, which pay taxes in the county on more than half a million dollars of valuation.

The valuations which will go on the tax duplicates of townships in the county this year, for tax collection next year, are as follows:

- Illinois Pipe Line company—Clinton twp., \$5,140; Franklin twp., \$28,150; Russell twp., \$38,220.
- Gulf Refining company—Cloverdale twp., \$78,450.
- Michigan Gas Transmission corporation—Clinton twp., \$73,200; Franklin twp., \$102,400; Jackson twp., \$92,400; Russell twp., \$18,800.

Dr. Patrick Veach Succumbed Monday

FATHER OF BAINBRIDGE PHYSICIAN; SERVICES WILL BE HELD WEDNESDAY

Dr. Patrick H. Veach, age 77 years, oldest practicing physician in Clay county and the father of Dr. Lester W. Veach of Bainbridge, died Monday at his home in Staunton, following an extended illness.

Dr. Veach was formerly a school teacher. He operated a drug store in Staunton, served two terms as trustee of Posey township, served in the State Legislature and also served as Clay County coroner for three terms. He started the practice of medicine in April, 1891. He was a member of the Red Men Lodge and First Christian church of Staunton.

Besides the son in Bainbridge, he is survived by one daughter, Mrs. Harold Robbins of Tucson, Ariz., a former resident of Greencastle; and another son Albert C. Veach of Staunton, and four grandchildren.

Funeral services will be held Wednesday afternoon at 2 o'clock from the home in Staunton in charge of the Rev. Howell. Interment will be made in the Old Mill cemetery in Brazil.

C. O. Harshbarger Funeral Tuesday

Born in Putnam county October 12, 1870, Charles O. Harshbarger died in Montgomery county at his home near Ladoga but his remains were brought back to the county of his birth for interment. The funeral was held Tuesday afternoon at 2:30 o'clock at Roachdale.

Mr. Harshbarger was found dead early Sunday morning in the bathroom of his home seven miles southeast of Ladoga, the result of a cerebral hemorrhage. He was the son of Samuel and Mary Fafollette Harshbarger. September 1, 1893, he was married to Stella Boling, who survives him.

Surviving, in addition to the widow, are three daughters, Mrs. Glen Russell Huckstep, Lebanon, and Mrs. Darrell Stee, Jamestown; one sister, Mrs. B. E. Hosteter, Roachdale; one brother, David Harshbarger, near Roachdale, and four grandchildren.

County Council Considers Budgets

WILL GO BEFORE COUNTY TAX ADJUSTMENT BOARD MEETING NEXT MONDAY

The seven members of the Putnam County Council met this morning, in their annual session for the purpose of passing judgment on the budgets emanating from departments of the county government, and on levies based upon those budgets.

Ford Scribner, member from the first councilmanic district, whose home is east of Russellville, was present, his first session since last December. He has been ill. The other members of the board are John Sinclair, president; Herschel Foster, Roy Hillis, George Ensign, Charles McFerran and George Akers.

The budgets which will be scanned by the council are the county government budget, hospital budget, county welfare budget, and county highway budget, and also they will consider the proposed tax levies to meet the 1940 payments on county unit road bonds, the hospital bonds and the jail bonds.

These budgets, after they have run the gauntlet of the county council, will go before the county tax adjustment board, which meets next Monday. This board will also have before it the budgets from all of the taxing units of the county which the board may reduce but not increase.

ELI BOSWELL, 74, DIED AT HOME IN GREENCASTLE

Eli Boswell, age 74 years, a life long resident of Greencastle, died Monday night at his home on the corner of Martinsville street and state road 43. Mr. Boswell had been in ill health for some time. He became seriously ill six weeks ago.

Survivors are the widow; one son, Russell Boswell of this city; one daughter, Grace Roberts, also of this city; a step-son, Samuel Crawley, at home; and a sister, Ruth Harlan of Indianapolis.

Funeral services will be held Wednesday afternoon at 2 o'clock from the Shannon funeral home in charge of the Rev. C. M. McClure. Interment will be made in the Clinton Falls cemetery. Friends may call at the Shannon funeral home.

Diane Shoemaker, small daughter of Mr. and Mrs. Carl Shoemaker, south Locust street suffered a fractured arm Saturday when she fell from a scooter.

LOCAL 4-H YOUTHS WIN FAIR HONORS

AWARDS WON IN CLOTHING, BAKING, CANNING AND POULTRY

OTHERS ANNOUNCED LATER

Cloverdale and Greencastle Youths Take Most of the Honors; White Rock Pullets Win

Putnam County again won honors at the Indiana State Fair when local 4-H members took awards in Clothing, Canning, Baking and Poultry.

Winners of awards in Clothing were:

Coletta Elmore of Cloverdale, who is in her third year of 4-H work. Miss Elmore took third place at the state fair after winning first place here and thus her rights to compete at Indianapolis.

Marylee Akers of Reelsville, in her fourth year of Clothing, took first place at the state fair. Miss Akers took first place here by her exhibit of a dress, slip, undergarments and a patch.

Ruby Allee of Cloverdale won second at the state fair after taking a second place at the local fair. Miss Allee is in her fifth year of Clothing.

Winners of awards in Baking were:

Dorothy Finney of Cloverdale, winner of second place with her angel food cake. Miss Finney took first place at the local fair and is in her fourth year of Baking.

Margaret Hatcher of Greencastle, in her fifth year of Baking, won a second place at the state fair with her clover leaf rolls. Miss Hatcher took first place and Sweepstakes at the local fair.

Winifred Cox won a second place with her cup cakes while Madonna Call took third place with her fancy cookies. Both these 4-H girls are from Greencastle.

In Canning Juanita McClure took second place. This is her fifth year of Canning in 4-H work.

In the boys division of 4-H work Norman Evens, with his pen of three White Rock pullets, took first place, while George Westfall took fourth place in the same exhibit. These boys were against stiff competition as there were the most exhibits in this class. These two boys exhibited the only poultry shown from here.

Other winners at the Indiana State Fair will be announced later.

War In Brief

LONDON: England, with mechanized divisions en route to reinforce French troops, awaited word from the western front that armies in the Maginot line had acted to smash German concentrations; public rejoiced over Royal Air Force attacks on German naval bases at Wilhelmshaven and Cuxhaven.

BERLIN: Germany claimed 15,000 Polish prisoners, said Reich armies were advancing all along the eastern front, admitted a British air raid on Cuxhaven but asserted there was little damage. The German public displayed little bitterness toward the Reich's foes.

WARSAW: Stoical despite the most shattering German aerial bombardments of the war, Poles calmly buried dead and intensified efforts to stop German advance on the eastern front.

PARIS: France cloaked extensive land, sea and air operations in secrecy but in war communiques number three assured the public that activities by all arms were "proceeding normally." The government said air raid alarms in Paris and various other points resulted from German reconnaissance flights. Polish announcements here claimed Polish advances into German territory and successful counter attacks against Reich troops on Polish soil.

ROME: Italy extended activities designed to establish more firmly her neutrality; significance seen in official communiques asserting Mussolini's peace efforts failed because Hitler refused to withdraw troops from Poland.

WASHINGTON: U. S. drastically limits travel of American citizens to and from Europe; prepares stern arms embargo to safeguard neutrality. Polls Latin American republics on advisability of hemispheric conference to formulate policy, receives favorable responses.

WASHINGTON—Roosevelt signs neutrality proclamation.

Poll Republics For Conference

TO FORMULATE POLICY ON PROBLEMS ARISING OUT OF THE EUROPEAN WAR

WASHINGTON, Sept. 5 (UP)—The United States is polling the Latin-American Republics on the advisability of a hemispheric conference to formulate policy on problems arising out of the European war, the United Press learned today.

The poll was begun after several American Republics had suggested consultations to the state department. The conference would be held at Panama City as quickly as delegates of the 21 nations are able to assemble there.

A declaration unanimously approved by the 21 American Republics at the Lima Pan-American conference last December, provides for immediate consultation among all the governments of this Hemisphere "in case the peace, security or territorial integrity of any American Republic is threatened."

It also provides that the Republics "proclaim their common concern and their determination to make effective their solidarity, co-ordinating their respective sovereign will by means of the procedure of consultation."

Expect Rumania To Remain Neutral

BUCHAREST, Sept. 5 (UP)—Rumania is expected to remain neutral and is ready to renew her proposals for non-aggression pacts with her neighbors, the cabinet announced today.

The cabinet also said it was taking "all necessary measures" to guard the frontiers, and stressed that complete unity prevails among Rumanians, including minorities.

It was understood that negotiations for a non-aggression pact between Rumania and Hungary were proceeding "promisingly."

Jugoslavia's efforts to establish a neutral bloc among the Balkan countries were received favorably here.

CIRCUIT COURT NOTES

A cross-complaint has been filed by the defendants, Lula Morlan, in the suit for divorce filed recently by her husband, Albert Morlan. In her cross-complaint, Mrs. Morlan mentions "other women" non-support, and cruel and inhuman treatment in other forms. She asks support money, attorney's fees, the custody of minor children. Her attorneys are James & Allee.

ACTION BEGINS ON WESTERN FRONT BETWEEN MAIN FRENCH AND GERMAN FORTIFIED LINES

WAR FLAMES SPREAD RAPIDLY ACROSS WESTERN EUROPE

PARIS HAD AN AIR RAID

Government Completed Cabinet After Realignment Due to Nine-Man War Cabinet

By Webb Miller

LONDON, Sept. 5 (UP)—War flames spread rapidly across Western Europe today.

From Poland, where a German army hammered unceasingly at a stout Polish defense and German airplanes bombed Polish cities, to the Scotland-Ireland coast where rescue ships approached port with survivors of the Eber Athena, the forces of destruction were in operation.

A British air force fleet had bombed the German war fleet at Wilhelmshaven base.

Paris had an early morning air raid lasting 3½ hours.

Germany struck back at Britain's propaganda with a new English language broadcast which British broadcasting company officials planned to combat.

Last night British listeners, tuning in for a BBC broadcast on the 449 metre band, were surprised to hear a German news bulletin intended for Britons. The announcer spoke the best English and ended with the "good night" which British announcers give.

"We can jam it out simply by switching on dance music," a BBC official said.

The government completed its cabinet today after a realignment due to the formation of a nine-man war cabinet. New members of the cabinet at large—not the war cabinet—are:

Information—Lord McMillan.

Economic Warfare—Ronald Hibert Cross.

Food—W. S. Morrison, who continues also as Chancellor of the Duchy of Lancaster.

National Service—Ernest Brown, who continues also as Minister of Labor.

Morrison in addition to his two posts will continue to act as House of Commons spokesman for the Ministry of co-ordination of defense.

There never had been a Minister of Economic warfare in Britain.

Lord McMillan, one of the great lawyers of Scotland, was one of 18 signatories last January of a "Peace Appeal" to the German people.

To Recommission Idle Destroyers

TO BE USED FOR PATROL WORK AND FOR ENFORCING PROVISIONS OF ACT

WASHINGTON, Sept. 5.—(UP)—Acting Secretary of the Navy Charles Edison disclosed today that the United States plans to recommission 116 destroyers now lying idle in navy yards at Philadelphia and San Diego, Calif.

Edison said the navy needs the additional destroyers for patrol work and for enforcing provisions of the Neutrality Act affecting marine transportation and shipping.

The recommissioning program was announced after a conference between Edison and Admiral Harold R. Stark, chief of naval operations.

Edison said six destroyers docked at Philadelphia can be made seaworthy within 30 days. Fitting up of some of the others will require several months. He said an order to recommission the destroyers at Philadelphia was issued a week ago.

The navy also is considering ordering 24-hour shifts in navy yards where ships are under construction in the current multi-billion dollar naval expansion program, the acting secretary revealed. Eight and 16 hours shifts are now in effect in most of the yards.

Edison said the navy had decided not to supply convoys for American merchantships but that armed escorts probably will be ordered for American ships bringing U. S. nationals back home from European war zones.

President Roosevelt is scheduled to decide today whether to order detachments of the fleet to European waters for convoy purposes.

Dr. C. B. O'Brien is improving slightly each day at the Robert Long hospital in Indianapolis following an operation Saturday.

German Report No Fighting On Western Front Until 9 O'Clock This Morning; No Air Attacks

BULLETIN

PARIS, Sept. 5 (Via Transatlantic Telephone to New York) (UP)—An officials communiqué today said that an engagement understood to be preliminary maneuvering of advance French and German troops had begun on the Western front.

The operations were in a zone six miles wide on each side of the frontier, where troops moved into trenches between the main French and German fortified lines.

Air raid alarms sounded early today in Paris and other points due to observation flights by German planes and official war communiques No. 3 announced that "movements of the combined land, sea and air forces are proceeding normally."

Military advices from the Polish front were more detailed and said that five German attacks were underway in the Polish Corridor area, which has been narrowed down by the Nazi pincher movement.

WASHINGTON, Sept. 5 (UP)—The United States served formal notice on the world today that it is determined to maintain a strict neutrality in the European conflict.

BERLIN, Sept. 5 (UP)—The war ministry today issued the following communiqué:

"Until 9 o'clock this morning not a single shot was fired on the Western front. There have been no air attacks except a raid by the British on Wilhelmshaven and Cuxhaven (German naval bases)."

LONDON, Sept. 5 (UP)—Reports were received here today that in addition to the German steamer Olinda, sunk off Brazil by the British cruiser Ajax, the German steamer Carl Fritzen has been sunk.

The manner of the sinking or locality was not given, but the crew of the Carl Fritzen was reported safe. The Carl Fritzen is of 6,594 tons and its home port is Emden.

LONDON, Sept. 5 (UP)—The ministry of information announced tonight that the British steamship Bosnia had been sunk and that all hands, except a fireman named Woods, had been rescued by the Norwegian tanker Eldanger.

WASHINGTON, Sept. 5 (UP)—The State Department said today it had been advised that "at least 100" of the 400 Athenia survivors who landed at Glasgow were seriously injured and required immediate hospitalization.

WARSAW, Sept. 5 (UP)—Artillery and machine gun fire was heard in Warsaw late today.

BRATISLAVA, Slovakia, Sept. 5.—(UP)—Slovakia is allied with Germany, Dr. Josef Tiso, premier of Slovakia, said today.

BERLIN, Sept. 5.—(UP)—German airplanes in combat between Warsaw and Lodz this morning shot down 11 Polish planes, it was announced officially. German losses were not stated. It was announced that a third Polish submarine had

ACTION ON WESTERN FRONT

(Continued from Page One)

LONDON, Sept. 5 (UP)—A survey of British ports by the United Press today showed that approximately 1,000 of the 1,400 passengers on the liner Athenia already have been accounted for. Apparently the majority of the 311 Americans on the ship were saved.

LONDON, Sept. 5.—(UP)—Survivors of the British liner Athenia said today that a submarine torpedoed the ship without warning and afterward came to the surface and fired two shells at it as the crew aided passengers into lifeboats.

Three rescue ships arrived with survivors, including hundreds of Americans and Canadians.

Two arrived at Greenock, Scotland, and one, the Norwegian freight steamship Knute Nelson, at Galway, Ireland.

It was estimated that nearly 400 were landed at Greenock and up to 800 at Galway.

But no doubt was left that there had been a disaster. Some were killed in the first explosion, others perished in the seas as rescue ships tried to save them.

Ambulances and surgeons waited both at Greenock and Galway to take care of the wounded among the distraught, scantily dressed, oil stained, penniless, men women and children.

John McEwan, storekeeper of the Athenia, said at Greenock:

"I was with my chum in our cabin at 7:30 p. m. (Sunday) when we heard a terrific bang.

"We knew at once what it was."

(Some of the Athenia crew were survivors of World War submarine attacks.)

"We put on our lifebelts and went to our boat stations.

"Several times during the night, when we were in the life boat, we heard the submarine passing below us.

"She remained on the spot for several hours after sinking us.

"The conduct of the passengers was magnificent.

"I don't know how many were killed on the ship but the talk on the way over here would seem to indi-

cate that there were 90 killed then.

"There was a great deal of smoke where the torpedo struck the Athenia. There was an internal explosion.

"But through the smoke we saw the submarine break the surface and before we knew where we were she had turned her gun on us and fired two shells.

"Every boat was away within an hour after the explosion.

"The ship at first listed badly when the explosion occurred. Then she righted herself and began to go down slowly by the head.

"When everybody was in boats and had gone away one boat was seen to turn back. We learned afterward that a woman on board on whom an operation had been performed had been left aboard the Athenia. The boat went back and brought her off.

Survivors ridiculed the idea that the Athenia could have struck a mine. Several said that after firing the torpedo the submarine released a "gas" shell.

Several members of the crew said they saw the submarine at a distance of about 100 yards. Another put it at a quarter of a mile.

Able seaman H. Dillon said the torpedo struck the Athenia amidships at about No. 5 hatch.

Several members of the crew said two shells were fired at the ship.

LONDON, Sept. 5.—(UP)—A submarine torpedoed the British liner Athenia without warning and then fired two shells at men, women and children scrambling into lifeboats, survivors of the war's first great ocean disaster said when they made port today.

About 90 persons perished, it was estimated on the basis of survivors' reports.

Some were killed instantly by the impact of the torpedo. Some drowned. At least one—a woman—committed suicide by leaping into the sea when she saw that her child was dead.

All survivors agreed they were victims of a submarine—the first raid against enemy shipping made by Adolf Hitler's U-boats. (Berlin has denied that a submarine was responsible.)

BERLIN, Sept. 5 (UP)—More than half of the fleet of British planes which yesterday bombed German naval bases at Wilhelmshaven and Cuxhaven were shot down, the German army declared today.

The communique said also that German troops had annihilated the 7th division of the Polish army in fighting south of Czechochowa, Poland's National Shrine to the Virgin Mary. The divisional staff was captured.

VISITS JAIL

I. R. Kinder, of Indianapolis, who is with the division of inspection and investigation of the State Department of Public Welfare, was in Greencastle today, and visited the new jail of Putnam county. Mr. Kinder, more than a year ago, went to members of the board of commissioners and to the county council of Putnam county, and informed them of some of the objectionable conditions arising from the age of the old jail. He feels the present new structure is due, in part, to his urging that the old one should be replaced with a new one.

SPORTS

ALL-STARS, COKES MEET TONIGHT

Yanks Increase Lead With 2 Games

THE GAME BETWEEN REDS AND CARDS TO BE PLAYED OFF TODAY

NEW YORK, Sept. 5 (UP)—The Yankees today were rolling down the home stretch with the American League pennant in the bag. By kicking the Athletics around twice yesterday, 7-6 and 2-0, they placed themselves in a position where they would have to outdo all previous September collapses to toss away the pennant. The Red Sox helped the Yankees more than somewhat by blowing a pair to Washington, 7-6 and 6-4.

With a 14 1-2 game lead and only 15 games left to play the Yankees need to win only twelve of them to clinch the flag regardless of what the Red Sox do. Boston can win all its remaining games and still not finish ahead of the Yankees.

The National League race is something else again. The Reds are doing their best to make it another photo finish. They lost to the Cards yesterday, 4-0, and then fought like mad men to gain a 6-6 tie in the nightcap called at the end of the ninth because of darkness. The tie will be played off today, both clubs having open dates. Ed Joost's double and Bill Werber's single in the ninth enabled the Reds to tie the count and saved a double defeat. The Cards' victory, accomplished with a four-run rally off Whitey Moore in the first frame, trimmed Cincinnati's lead to four games.

Pittsburgh gave the Cubs a dose of their own medicine of September a year ago when they knocked off the Wrigleys, 2-1 and 6-3, just about pounding a death knell on the Cubs' flickering pennant hopes, leaving them eight off the pace—12 on the losing side. Elbie Fletcher's homer with the bases jammed won the nightcap after Max Butcher had outwitted Dizzy Dean in the opener. The Giants regained fourth place by grabbing a doubleheader from the Phillies, 10-0 and 7-6. Billy Jurges' single in the ninth won the nightcap. Kirby Higbe, who was knocked out in the first game, was also charged with the loss of the nightcap when he came in as a relief pitcher and put the winning run on base.

Brooklyn divided with Bees, winning the first, 5-4, on Cookie Lavagetto's single and losing the closer, 5-2.

Red Rolfe's single in the eighth clinched a five-run rally which gave the Yanks a 7-6 victory over the A's in the opener. Marius Russo hurled a three-hitter to give the bombers the nightcap.

Charley Gelbert's triple with the bases loaded was the high spot of Washington's rally which won the opener from the Red Sox, 7-6, despite Jimmy Foss's 37th homer. Pete Appleton held the Red Sox to four hits

All-Stars Meet Casemen Tonight

ONE DEFEAT SUFFERED BY FRANKFORT WAS DUE TO ALL-STARS

Two of the best basketball teams in the state will meet tonight at Howard Hall in Frankfort when the state balloted All-Star team will meet the Frankfort team.

Case's quintet, which has been touring all summer, suffered their only defeat at the hands of the Indiana All-Stars in the game played at Indianapolis. Tonight, when the two teams meet, it will be a real battle—Frankfort trying to prove their might, the All-Stars attempting to keep their record unbroken.

Case has had nine victories out of ten summer engagements while the All-Stars have won at Indianapolis, Rossville, Greencastle, Mooresville and Salem.

"Tony" Hinkle Begins Sixth Year As Coach

INDIANAPOLIS, Sept. 5—Paul D. (Tony) Hinkle will begin his sixth year as head football coach at Butler University this week by issuing his annual grid call to approximately 60 candidates.

The Bulldogs, five times Indiana Collegiate champions, will inaugurate their season Sept. 23 at the Butler Bowl by opposing Ball State, whom they defeated 12 to 6 in the 1938 opener.

Coach Hinkle will have 15 lettermen returning for the initial call, Sept. 8, to fill the gaps vacated by the 10 seniors who were graduated last June.

In the afterpiece, one of them a homer by Joe Cronin.

The Browns defeated the Tigers, 3-2, behind Bob Harris' five hit pitching but were held to a 5-5 tie (called in the eighth because of darkness) in the nightcap.

The Chicago White Sox drove Bob Feller from the box with a three run burst in the 10th to beat the Indians, 5-3, before a night crowd of 30,000 in Cleveland. The afternoon game scheduled was rained out.

CHAMPIONSHIP SERIES BEGINS AT 7:00 O'CLOCK

BOTH TEAMS PROMISE FANS A REAL THRILLER TONIGHT

BEST PLAYERS WILL APPEAR

Time: 7:00 p. m.
Teams: Coca Cola vs All-Stars.
Place: Robe Ann Park Diamond.

Yes, softball fans, tonight the long awaited game between the Coca Cola's, winners of the Putnam Softball League and the All-Star team, hand-picked by a group of sport fans, will be played off at the Robe Ann Park diamond at 7:00 o'clock.

The game this evening will be the first of a series to determine the champion. The series will be three games played tonight, tomorrow and, if necessary, the third game on Friday.

The game promises to be a real thriller as the Coca Cola team has some of the best players that have graced the diamond this season. On the All-Star team are the best that could be found in the other eleven ball clubs. These men were carefully chosen for their playing ability so that a team, that should be near perfection, was chosen.

On the All-Star team will appear such players as Lemmick who pitched for the Kroger lads and will do the twirling for the All-Star aggregation. Not only a pitcher but a hitter, Lemmick bids fair to be one of the stars on the team.

On the receiving end will be Firman Grimes in all probability. Grimes has shown his technique when he was behind the plate for the Zinc Millers. Grimes is also a first rate batter trailing Pigg in batting averages with an average of .591.

In the shortfield will be Putnamville's Pigg who has made many a sensational catch as roving center. Pigg leads the twelve team league in batting with a .600 average.

Other batters in their batting order, starting in third place and ranging on down the list to sixth place consecutively, are Herschberger, who will probably be in the outfield; Patterson, a utility man; Forepaugh, a utility man; and Melink, probable shortstop.

Other members of the All-Star team will be Dickson of Bainbridge, Clair Williams and "Curly" Williams of the University, Fisher of Putnamville, Sellers of Kroger's, "Snooks" Hill of the Zinc Mill, Cooper of Lone Star and Spencer of Bainbridge.

As co-managers of the All-Stars will be Carl Myers, president of the League and veteran baseball and softball player; Bill Lawrence, umpire at many of the league games this year; and Frank Baker, manager of the Bainbridge team.

OBITUARY

Peaceful be thy sleep dear mother, It is sweet to breathe thy name In life we loved you dearly In death we do the same. The stars will soon be shining, On your lone and silent grave. Beneath will lie the one we love But whom we could not save But sleep dear mother We would not have you know The sorrows and the heartaches In this earthly home below. There are ones who will always linger At the spot where you are laid And will come and scatter flowers On the grave that Christ has made. There is a reaper his name is death This sad message came to bring relief to our dear wife, mother and grandmother.

Sophia Rhodes McGranahan, Thornburg, daughter of John and Anna Rhodes was born November 28, 1854 at Terre Haute, Indiana, and departed this life August 11, 1939, at the age of 84 years, 8 months and 14 days.

In 1874 she was united in marriage to William McGranahan. Ten children came to bless this home. The husband and six children have preceded her in death.

Again on November 2, 1935 she was united in marriage to Harry Thornburg who survives. She leaves to mourn her departure four children, Mrs. Fred James of this city, Mrs. James Arrell of Cloverdale, Mrs. James Crague of Pertle, and Alber McGranahan of Maton, Illinois. She leaves several grandchildren, one step-daughter, Mrs. Bert Howard and hosts of other relatives and friends.

Mrs. Thornburg was a good neighbor and a kind and loving wife and mother and though death had been expected for some time it came with a crushing blow to all her loved ones. Although she is gone we will not forget her, but prepare our lives so as to meet her on that glad meeting day. Although hearts are broken and our eyes are dimmed with tears, we would not call her back. She bore a cross of suffering. Her companion each day was pain. There is missing a link in our home which can never be filled. She is not dead but sleeping. Her sufferings on earth are over and she has answered the call of our Heavenly Father which we all have to answer.

Her companion in his strength and devotion has ever sought to strengthen and uphold her. The children have given of love and duty. Those sons and daughters-in-law will miss her. To know her was to love her.

Mrs. Thornburg was a member of the Methodist Church. But in later years seemed to cling to the Nazarene Church.

To the benefit we would say— "The path of sorrow and that alone Leads to the land where sorrows are unknown"

She always leaned to watch for us Anxious if we were late In winter by the window, In summer by the gate Her thoughts were all so full of us She never could forget And so I think that where she is She must be waiting yet.

Waiting 'till we come home to her Anxious if we are late Watching from Heaven's window, Learning from Heaven's gate.

MAN THEIR GUNS—Polish soldiers man an anti-tank gun near the Polish-German border as Hitler pressed his territorial demands. Mobilization in Poland has increased her army to 2,500,000 men, with all male civilians between the ages of 21 and 40 called to the colors.

TOURISTS—American tourists with their hastily gathered possessions, and some with their clothes in paper bags, are shown boarding the United States Liner President Roosevelt at Southampton, England, as they fled from the threat of war in Europe.

Previews and Reviews AT LOCAL THEATERS

Voncastles

The sun never set on the British empire, nor on the colorful locales chosen by Hollywood for its outstanding production.

Universal had five million miles from which to select the setting for "The Sun Never Sets," drama starring Douglas Fairbanks, Jr., and Basil Rathbone, coming to the Voncastles Theatre. Story of the picture is based on the British civil service, which administers to 500 million people over thirteen million square miles of the Empire.

Rathbone and Fairbanks portray brothers, the former a veteran, duty-bound colonial administrator and the latter a headstrong tyro in the service. They are at odds until an international emergency pits them together, as representatives of democracy, against a powerful proponent of government which, to quote the screenplay, "dragoons the individual."

Virginia Field is seen as Fairbanks' fiancée, Barbara O'Neil, as Rathbone's wife and Lionel Atwill, as the foe of Empire policy. C. Aubrey Smith, Melville Cooper and Mary Forbes have other roles.

MORTON

Mr. and Mrs. Frank Caldwell of Lebanon and Mr. and Mrs. Clarence Lane of Lafayette spent Sunday with Wm. Lane and wife.

Howard Bell and family of Middleton, Ohio spent from Friday until Monday with his sister Mrs. Edith Miller and family.

ON SIDELINES—Premier Mussolini, shown inspecting gun in Anzio, Italy, has been noticeably laggard in war preparations leading many to regard him as a possible peace mediator.

WAR CHIEF—Under a decree issued by Hitler, Field Marshal Hermann Goering, above, was named head of Germany's National Defence Council, which will make him dictator of internal affairs in time of war. Government was reorganized on war basis.

By burning 25% slower than the average of the 15 other of the largest-selling brands tested—*slower than any of them*—**CAMELS** give a smoking *plus* equal to

**5 EXTRA
SMOKES
PER PACK**

Cigarettes were compared recently... sixteen of the largest-selling brands... under the searching tests of impartial laboratory scientists. Findings were announced as follows:

- 1 CAMELS WERE FOUND TO CONTAIN MORE TOBACCO BY WEIGHT** than the average for the 15 other of the largest-selling brands.
- 2 CAMELS BURNED SLOWER** THAN ANY OTHER BRAND TESTED—25% SLOWER THAN THE AVERAGE TIME OF THE 15 OTHER OF THE LARGEST-SELLING BRANDS! By burning 25% slower, on the average, Camels give smokers the equivalent of 5 EXTRA SMOKES PER PACK!

3 In the same tests, CAMELS HELD THEIR ASH FAR LONGER than the average time for all the other brands.

"I know from years of experience that Camels give a longer smoke — milder, cooler, mellower"

SAYS JOE WILLIAMS
FAMOUS SPORTS EXPERT

LONG-BURNING SMOKES have a big appeal for Joe Williams, as well as for many another cigarette smoker. Joe, whose keen comments on sports are eagerly read by millions of fans, is equally "in the know" on cigarettes too. He says: "Every Camel gives me an extra period of cigarette enjoyment—a longer smoke, and a milder, cooler, mellower smoke! Naturally, such a cigarette has a more appealing taste. Yes, sir," Joe concludes, "it's a real thrill to smoke a Camel." You, too, will find that Camel's long-burning, costlier tobaccos do give more pleasure per puff—AND—more puffs per pack. That's pleasure *plus* economy—a shrewd buy. No wonder America's smokers have made Camels their cigarette choice No. 1.
